HURRICANE REGION
Porsche Club of America

DRIVERS EDUCATION
Carolina Motorsports Park
14-15 August 2010

TECHNICAL INSPECTION FORM

The PRE-EVENT TECH INSPECTION section must be completed prior to the event.
Bring this form and your drivers license to REGISTRATION when you arrive at the track.
After REGISTRATION, proceed to GRID TECH INSPECTION for completion of the GRID TECH section.

NOTE: The participant is primarily responsible for the safety of her/his car and must be aware of the condition of the items on this list. Inspectors are not held liable for the safety of the vehicle.
